ii. Declarant, in its sole and absolute discretion, elects to terminate its Class "B" Membership by written notice of such election delivered to the Association (whereupon the Class "A" Members shall be obligated to elect the Board and assume control of the Association).

The Association shall accept any such conveyance of the Association property. The conveyance shall not, however, impair in any way the Declarant’s rights and easements as set forth in this Declaration.

The Owners (including Declarant as to Lots owned by it) shall have no personal liability for any damages for which the Association is legally liable or arising out of or connected with the existence or use of any Association property or any other property required to be maintained by the Association.

Subject to the foregoing, the Declarant may mortgage any or all portions of the Association property to finance construction and development expenses, provided that the mortgagee recognizes the rights of Owners under this Declaration and neither the Association nor any Owner is personally liable for paying the mortgage. The Association and the Declarant do not represent or warrant that any Lot is waterfront, that any Lot has lake access, or that the lakes and water levels will continue to exist in their present forms. Neither the Association, Declarant, nor any agent, officer or employee of either shall have any liability to any Owner with regard to the augmentation or continued water levels of any lake.

No Structures shall be placed on any of the lakes or ponds by any Owner and all access to any lake is only permitted through authorized access points created by the Association or other governmental agencies. If modification is necessary, the Agency will so advise the permittee. The amendment affecting the system may not be finalized until any necessary permit modification is approved by the Agency or the Association is advised that a modification is not necessary.

The Association shall exist in perpetuity. However, if the Association ceases to exist, and if no maintenance agreement exists with an approved Association, then any Stormwater Management System or discharge facility for which the Association is responsible shall be accepted by and

maintained by local government units, including county or municipal service taxing unit, an active water control district, a drainage district created by special act, a community development district created under Chapter 190, Florida Statutes, a special assessment district created under Chapter 170, Florida Statutes, a state or federal agency, any duly constituted communication, water, sewer, electrical or other public utility, any entity acceptable to the Department of Environmental Regulation or its successor under its rules and regulations.

If the Subdivision has on site wetland mitigation which requires ongoing monitoring and maintenance, the Association shall be responsible to carry out this obligation and to complete the task successfully, including meeting all Permit conditions associated with wetland mitigation, maintenance and monitoring. The Association shall allocate sufficient funds in its budget for such monitoring and maintenance of the wetland mitigation area(s) each year until the WMD determines that the area(s) is successful in accordance with the Environmental Resource Permit.

Copies of the Environmental Resource Permit and any future permit actions of the WMD, attached herein as Exhibit "D", shall be maintained by the Association's registered agent for benefit of the Association at the office of the Association. The Permit shall be owned by the Association, and the Association has the obligation to assure that all terms and conditions thereof are enforced. If the Permit is issued in Declarant's name, then on or before the conversion of the rights of the Membership, pursuant to this Declaration, Declarant shall transfer and the Association shall accept and assume all rights and obligations of Declarant under the Permit. This provision shall not be amended without the written consent of Declarant.

5.35 Lot Setback. No residential dwelling unit shall be constructed on any Lot or building site in the Subdivision, which does not conform to the setback lines shown on the recorded Plat; however, an automatic waiver of ten percent (10%) of any setback requirement on the Plat is hereby granted for violations of any setback requirement not exceeding ten percent (10%). The automatic waiver established by this Section has no effect on any setback requirements imposed by the Land Development Code of Okaloosa County, Florida; and appropriate waivers or variances may be required in certain circumstances.

5.36 Wellhead Protection Zone. As designated on the Plat, the following activities are prohibited within the "Wellhead Protection Zone" pursuant to the County's Land Development Code:

- (a) Landfills;
- (b) Facilities for the bulk storage, handling, or processing of materials on the Florida Substance List;

- (d) Feedlots or other concentrated animal facilities;
- (e) Wastewater treatment plants, percolation ponds, and similar facilities;

- (f) Mines; and
- (g) Excavation of waterways or drainage facilities that intersect the water table.

## **ARTICLE VI DESIGN REVIEW**

6.1 Design Approval. No building, structure, architectural feature or improvement, including but not limited to structures, irrigation systems, landscaping, fencing, or hedges, whether for new construction or a modification or addition to existing improvements, shall be erected, constructed, placed or altered on any Lot until the Owner of the Lot shall submit in duplicate, complete plans and specifications for such building, structure, and/or improvement and a detailed site plan showing its proposed location, and the plan specifications and detailed site plan have been approved in writing by ARC. The approval of said plans and specifications may be withheld not only because of noncompliance with any of the specific easements, covenants, conditions, and restrictions of this Declaration, but also by reason of the reasonable dissatisfaction with the landscaping or grading plan, the proposed location of the structure with respect to topography and finished grade elevation, the nature of workmanship and materials, the type or use of materials, the color scheme, finished design, proportions, architecture, style, shape, height, size, style or appropriateness of external design with the existing or proposed buildings, Structures or improvements located or to be located upon the Property, including the heights, kind and appearances of fences, walls, any excavation or fill, change in drainage or terrain, planting, utility installation, and any other physical change or improvement to any Lot, the size, location and materials to be used in the construction of the walks and driveways, and the sizes and species of landscaping materials, all of which are included within the definition of “improvements” as such word is used herein. One (1) set of plans and specifications and a detailed site plan as finally approved may be retained by the Declarant or ARC.

Upon completion of any buildings, structure or improvement in accordance with approved plans and specifications and detailed site plan, no changes, alterations, additions, reconstruction or attachments of any nature whatsoever shall be made to the exterior of the building, structure and/or improvement or to the Lot, including that portion thereof not actually occupied by the improvements thereon, unless the same are identical to the original work, without prior written approval in the manner above provided.

ARC's approval, disapproval or conditional approval shall be endorsed upon the plans and specifications submitted by the Owner, and shall be further evidenced by a written instrument executed and acknowledged by ARC. Such written instrument shall be returned to the Owner.

ARC shall not obviate any reviews or approvals required by government and does not constitute a structural review or review for compliance with building codes or any purpose other than design compatibility with the community, surrounding structures and terrain.

ARC shall have the authority to publish “Design Guidelines” that shall outline guidelines for the design of improvements to be constructed on the Lots. ARC reserves the right to amend these Design Guidelines from time to time.

6.2 Exculpation of Declarant and ARC. Declarant and/or ARC cannot and shall not be held responsible for any loss or damages to any person arising out of the approval or disapproval

of plans, designs or construction errors. Nor shall the Declarant and/or ARC be held responsible for loss or damages to any person arising out of noncompliance with governmental land use and building regulations. The Declarant and/or ARC also shall not be held responsible for any structural fault in design or construction. Neither the Association, ARC, Declarant, or any agent, officer or employee of the Association, ARC, or Declarant shall be liable to any Owner or other for any damages or costs arising in any way out of the approval or disapproval of any plans or applications.

6.3 Design Approval by Declarant. The Declarant reserves the right to maintain exclusive architectural control for new construction in all Common Areas, entrance and recreation areas. The purpose of architectural control is to assure that improvements in the Subdivision as a whole will preserve a uniformly high standard of construction that is attractive and harmonious. The basic architectural control for regulation of all Lots is vested in ARC. In addition, to further protect, conserve and enhance the aesthetics of the community, the Declarant itself, until the last Lot is sold, may regulate the appearance of all Common Area improvements and buildings, and structures if any. The power to regulate vested in the Declarant temporarily and ARC permanently shall include the power to prohibit those improvements, structures, buildings found to be (a) inconsistent with the provisions of this Declaration, or the aesthetic design or quality intended to be created and preserved hereby, or (b) contrary to the best interests of the Subdivision or (c) detrimental to the value and desirability of the Subdivision as a residential community with exclusive, unique and desirable qualities.

6.4 Builder Exemption. Builder shall be exempt from any and all requirements of Article VI.

6.5 Variance. The Declarant shall have the power and authority, in its sole discretion, to grant variances in compliance with the Declaration provided, however, that such variances shall be reasonable consistent with the purpose of the Declaration and shall not materially and adversely affect existing improvements. Whenever, in the exercise of its discretion, Declarant grants a variance, each Owner of a Lot hereby acknowledges that such variance shall constitute a waiver of any conflicting provisions of the Declaration. Each Owner of a Lot appoints Declarant as its true and lawful attorney-in-fact for the limited purpose of consenting to and granting variances. Automatic ten (10) percent set back variance.

6.6 Declarant's Right to Appoint. The Declarant shall have the right: to sit on and/or appoint the ARC, to remove without cause any person serving on ARC, and to fill any vacancies on ARC, until such time as all Class "B" Membership terminates. After termination of Class "B" Membership, Declarant may elect one (1) member to ARC so long as Declarant owns property in the Subdivision. Any person appointed to ARC by Declarant does not have to be a Member and shall only be removed by Declarant unless otherwise allowed under this Declaration. The ARC shall consist of not less than two (2) nor more than five (5) members. In the absence of a formally appointed committee, the Officers of the Association shall constitute the Architectural Committee.

## **ARTICLE VII PROPERTY OWNERS' ASSESSMENTS**

7.1 Purpose. Assessments for Common Expenses provided for herein shall be used for the general purpose of promoting recreation, safety, health, value, and common benefit and enjoyment of the Owners. These general purposes include, but are not limited to, maintaining

Areas of Common Responsibility, Common Areas, the roads (if privately maintained), and expenses of general operation of the Association in the fashion that may be specifically authorized from time to time by the Board of Directors.

7.2 Assessment Lot. For the purpose of establishing and determining Assessments for Common Expenses payable by the Members, Assessment Lots are hereby established as follows:

- (a) Each Lot with a Structure thereon shall be one (1) Assessment Lot.
- (b) Each Lot, without a Structure, shall be one-fourth (1/4) of an Assessment Lot.

7.3 Determination of Assessments for Common Expenses and Establishing a Budget. Not less than thirty (30) days prior to the beginning of each fiscal year, the Board shall adopt a budget for such fiscal year, which shall estimate all of the Common Expenses to be incurred by the Association during the fiscal year and covering the estimated cost of operating the Association during the coming year. In determining the budget for any fiscal year, the Board may take into account expenses, Area of Common Responsibility, Common Areas, Lots, and other additional obligations anticipated to be added during the fiscal year, if any. The budget may include a capital contribution or reserve in accordance with the current year's budget. The Board shall then establish the Assessment for Common Expenses, which shall be equal to the total amount to be assessed for Common Expenses pursuant to the budget, divided by the total number of Assessment Lots within the Subdivision. The Association shall then promptly notify all Members, in writing, of the amount, frequency, and due dates of the Assessment for Common Expenses per Assessment Lot or fraction thereof at least twenty (20) days prior to the meeting of the Board at which the budget is adopted. The budget and Assessment shall become effective unless if either disapproved at the annual meeting, by a vote of at least fifty-one percent (51%) of the Association's Members, or without a majority vote of the Board. In the event the Board fails to adopt a budget and Assessment as provided herein, the Assessments for the current year shall be continued in full force and effect for the succeeding year.

From time to time during the fiscal year, the Board may modify the budget for the fiscal year. When needed, the Board may amend the budget during a fiscal year and increase the amount of the Assessments by ten percent (10%) without approval of the Members if it appears that there will be insufficient income to meet the obligations of the Association. If the increase of the Assessments exceeds ten percent (10%), the Board may make special Assessments for Common Expenses, which shall be levied in the same manner as hereinbefore provided for regular Assessments for Common Expenses and shall be payable in the manner determined by the Board as stated in the notice of any special Assessment for Common Expenses. In the event any Assessments for Common Expenses are made payable in equal periodic payments as provided in the notice, such periodic payments shall automatically continue to be due and payable in the same amount and frequency as indicated in the notice. Notwithstanding the foregoing, in no event shall any Assessment for Common Expenses payable by any Member be due less than ten (10) days from the date of the notification, of such Assessment.

7.4 Transfer of Ownership Fee. Upon each and every transfer or conveyance of title to a lot after it has been improved with a dwelling for which a certificate of occupancy has been issued, a working capital contribution in the amount of Two Hundred and 00/100 Dollars (\$200.00), which amount may be increased or decreased from time to time by the Board in its sole discretion, shall be collected from the Owner at the closing of such transaction and disbursed to

the Association; or if not collected at closing, shall be paid immediately upon demand to the Association.

7.5 Creation of Lien and Personal Obligation. Each Owner of any Lot by acceptance of a deed whether or not it is expressed in the deed, covenants and agrees to pay to the Association:

- (a) Assessments for Common Expenses;
  - (b) Special Assessments to be established and collected as hereinafter provided;
- and

(c) Specific Assessments. Any and all accrued, liquidated indebtedness of any Owner to the Association arising under any provision of this Declaration, or by contract, express or implied, or because of any act or omission of any Owner or person for whose conduct such Owner is legally responsible, interest at the highest rate allowed by applicable law, also may be assessed by the Association against such Owner's Lot after such Owner fails to pay such indebtedness within thirty (30) days after written demand. This shall include fines levied for the actions of any Owner, or guest, invitee, or family member of such Owner.

All Assessments and costs of collection for delinquent assessments along with interest on delinquent assessments, administrative fee for collection, and reasonable attorney fees shall be a continuing lien upon the Lot against which the Assessment is made. Each Assessment together with interest, administrative fee, and a reasonable attorney fee shall also be the personal obligation of each person who is the Owner of the Lot at the time the Assessment is levied. Each Owner shall be liable for his or her portion of each Assessment and his or her grantee shall be jointly and severally liable for any portion that may be due at the time of conveyance. Assessments shall be paid in the manner and upon the date specified by the Board of Directors and unless otherwise provided by the Board, shall be paid in monthly installments or in one (1) annual payment. Each Lot shall be assessed equally for annual Assessments and special Assessments.

7.6 Special Assessments. In addition to the annual Assessments for Common Expenses authorized above, the Board may levy in an assessment year, a Special Assessment for unanticipated expenses not included within the budget and not reserves, as long as the Declarant is exercising its rights under the provisions hereof, not to pay assessments. Meetings for special purpose of considering Special Assessments shall be held only after due notice to the Owners mailed not less than thirty (30) days prior to the date of the meeting.

7.7 Liens or Assessments. All sums assessed against any Lot pursuant to this Declaration together with interest as provided herein shall be secured by a continuing lien upon such Lot in favor of the Association. The lien shall be superior to all other liens and encumbrances on the Lot, and shall relate back to the recording of this Declaration and shall be superior to any homestead rights, except for liens of ad valorem taxes and mortgages held by institutionalized lenders. Persons other than recognized lending institutions acquiring interests other than first mortgages liens or encumbrances on any Lot after this Declaration shall have been recorded in the public records shall be deemed to consent to the liens and assessments of the Association and the subsequent liens shall be inferior to future liens for assessments of the Association whether or not prior consent be specifically set forth in the instrument creating such liens or encumbrances.

7.8 Remedies of the Association to Enforce Assessments. Any Assessments that are not paid when due shall be delinquent. Any Assessment delinquent for a period of more than ten (10) days shall incur an administrative charge for collection in the amount the Board of Directors may determine from time to time. If the Assessment has not been paid within thirty (30) days, the assessment liens shall commence to include interest on the principal amount at the maximum rate per annum allowed by law from the date first due and payable, plus an administrative charge or late fee as allowed by law, and costs for collection, including a reasonable attorney's fee and all costs through any appeal. In the event that the Assessment remains unpaid after sixty (60) days, the Association may commence legal action to collect the Assessments or to foreclose its lien. Each Owner by his or her acceptance of a deed to a Lot, vests in the Association or its agents the right and power to bring all actions against it personally for the collection of such charges as a debt or to foreclose the aforesaid lien in the same manner as liens for mortgages on real Property. The lien provided for in this Article shall be in favor of the Association and shall be for the benefit of all Owners.

7.9 Date of Commencement of Annual Assessments and Deficit Funding.

(a) Annual Assessments shall commence upon conveyance of the Lot to an Owner, other than Declarant or Builder. The annual Assessment shall be payable in the manner and on the schedule the Board of Directors may provide, and if not stated in the budget, shall be on the first of the month, and begin to accrue late fees and interest if not paid within fifteen (15) days after the due date.

(b) Notwithstanding anything herein to the contrary, as long as Class "B" Membership exists, Declarant and/or Builder may elect not to pay any Assessment as to any Lot owned by it during any period of time that Declarant pays the Common Expense actually incurred over and above the income derived from the Assessments collectible from the Class "A" Members ("Deficit Fund"). For purposes of this subsidy arrangement, unless expressly required by applicable law, Declarant and/or Builder need not subsidize or pay any Assessment amounts levied for replacement reserves or capital expenditures. If Declarant and/or Builder elects to Deficit Fund as permitted herein and under the Florida Association Act, then for purposes of complying with Florida Statutes, Section 720.308(3), the amount of the Annual Assessments, as such Annual Assessments may be increased per fiscal year, shall be the maximum obligation of the Class "A" Members. If Declarant and/or Builder elects to Deficit Fund, then for purposes of complying with Florida Statutes, Section 720.308(3), the amount above the Annual Assessments that is necessary to keep the Association operational shall be the amount of Declarant's/Builder's guarantee of Common Expenses. It is the express intent of Declarant that this be an establishment of a guarantee pursuant to Florida Statutes, Section 720.308(2). Unless Declarant and/or Builder otherwise notifies the Board in writing at least thirty (30) days before the beginning of a fiscal year, Declarant and/or Builder shall continue paying on the same basis as during the previous fiscal year. Declarant and/or Builder, at its option, may elect by written notice delivered to the Association at any time to abandon the subsidy approach and commence payment of the Assessments thereafter falling due for the Lots then owned by Declarant or Builder, prorated as of the date that such notice is delivered to the Association. Notwithstanding the foregoing, Declarant and/or Builder shall never be obligated to pay any Individual Assessment or Start-Up Assessment.

7.10 Exempt Property. The Assessments, charges and liens created under this Article VII shall not apply to the Common Areas nor shall the Assessments apply to land or easements dedicated to and accepted by local public authority or any land used by a utility company.

## **ARTICLE VIII GENERAL PROVISIONS**

8.1 Run with the Land. This Declaration is to run with the land and shall be binding on all parties and persons claiming under it for a period of thirty (30) years from the date it is recorded after which time it shall be extended automatically for successive periods of ten (10) years, unless an instrument signed by two-thirds (2/3) of the Owners of the Lots agree to change the covenants in whole or in part and is recorded.

8.2 Amendments. The covenants and restrictions of this Declaration may be amended by an instrument signed by the Board of Directors with an attached certification that the amendments have been approved by the required voting percentage at a properly noticed meeting of the Association, where the required quorum was present in person or by proxy or with an attached joinder signed by Owners, Declarant, and/or Builder with the required voting interest to approve such amendment.

This Declaration may be amended by a majority vote of those eligible to vote at a properly noticed meeting where a quorum is present. A quorum shall be twenty percent (20%) of the total voting interest of the Association. An Owner must be current on all its assessments and financial accounting to be eligible to vote.

The Declarant retains the right to amend the Declaration until the sale of the last Lot to comply with any governmental requirement or request, or to correct errors, or any requirement by an institutional lender which commits to make mortgage loans for homes in the Subdivision, without the consent of the Owners, during the period of time before control of the Association is required to be turned over to the Owners. Such amendment by the Declarant shall not prejudice the Owners or diminish the property rights of Owners, nor shall they transfer any of the Declarant's obligations to the Association or to the Owners. Until such time as the last Lot that the Declarant holds for sale in the ordinary course of business is conveyed by the Declarant, it specifically reserves for itself, its successors and assigns, the absolute and unconditional right to amend, alter, modify, change, revoke, rescind, or cancel any or all of the restrictive covenants contained in this Declaration or hereinafter included in any subsequent Declaration; provided, however, no such amendment, alteration, modification, revocation, rescission, or cancellation shall prejudice or otherwise impair the security, rights and priorities of any mortgagee of record as to any of the Lots. All or any portion of the Properties may be removed from the lien and operation of this Declaration by an amendment executed by the Declarant for such purposes, provided there are no conveyances of Lots or residential units constructed upon the Property being removed from the lien and operation of this Declaration. Notwithstanding any other provision in this Declaration, the Articles or Bylaws to the contrary, the Board shall have the power to unilaterally amend this Declaration to bring any provisions herein into compliance with any governmental or quasi-governmental statute, rule, regulation, or requirement, or judicial ruling. To the extent legally required, each Owner shall be deemed to have granted to the Association an irrevocable power of attorney, coupled with an interest, for this purpose.

8.3 Indemnification. The Association shall indemnify every Officer, director and Owner on ARC and all other Committee members, as well as Declarant, against any and all expenses, including reasonable attorney fees, reasonably incurred by or imposed upon any Officer or director in connection with any action, suit or other proceeding (including settlement of any suit or proceeding if approved by the Board of Directors) to which he/she may be made a party by reason of being or having been an Officer or director or committee members, at the time such expenses are incurred. The Officers, directors and committee members shall not be liable for any mistake of judgement, negligence, or otherwise, except for his own individual willful misconduct or nonfeasance. The officers, directors, and committee members shall have no personal liability with respect to any contract or other commitment made by them, in good faith, on behalf of the Association (except to the extent that such officers, directors and committee members may also be Owners of the Association) and the Association shall indemnify and forever hold each such Officer and director free and harmless against any and all liability to others on account of any such contract or commitment. Any right to indemnification provided for herein, shall not be exclusive of any other rights to which any Officer, director, or committee member, or former officer, director, or committee member may be entitled. The Association may as a common expense, maintain adequate general liability and officers' and directors' liability insurance to fund this obligation.

8.4 Eminent Domain. In the event of a threatened taking of a Common Area, the Association shall have a power to take all action with respect to such taking. The Board may act in its sole discretion with respect to any awards being made in connection with the taking and shall be entitled to a voluntary sale to the condemnor in lieu of engaging in a condemnation action. Any awards received on account of the taking shall be paid to the Association. In the event of taking of less than all the Common Areas, the rules as to restoration, replacement of any Common Area and the improvement thereon shall apply as in the case of destruction of improvements upon the Common Area.

8.5 Insurance. The Association shall obtain, to the extent reasonably available and at a reasonable cost, insurance it deems necessary which may include, but not limited to, the following policies of insurance:

(a) fire and extended coverage insurance on all improvements upon the Common Areas and Areas of Common Responsibility in the amount of one hundred percent (100%) of the full insurance replacement cost value of the improvements, or as determined by the Board;

(b) general comprehensive public liability insurance against liability to and claims of the public, an Owner of the Association and any other person with respect to liability occurring upon the Common Areas or the Areas of Common Responsibility based upon or arising out of the Association's Ownership or use of the Common Area or Areas of Common Responsibility. The minimum combined single limits of liability shall not be less than ONE MILLION AND 00/100 DOLLARS (\$1,000,000.00) per occurrence and ONE MILLION AND 00/100 DOLLARS (\$1,000,000.00) in the aggregate. The liability insurance shall name, as separately protected insured, the Declarant, the Association, the Board, ARC (if economically feasible) and their respective Owners, employees, officers, agents and representatives.

The Association shall furnish the insurance contemplated and any judgement by the Association as to the amount and type of insurance shall be reasonable and shall be made after due deliberation in good faith and based on institutionalized lender's loan guidelines.

8.6 Contracts with Declarant or Third Parties. The Association and Declarant are authorized to enter into mutual contracts for any services the Declarant is capable of providing to the Association. The contract shall be an arm's length transaction subject to such terms and conditions as the parties may agree. Any third-party contract must be capable of being terminated with thirty (30)-days' notice. Agreements with any Association management company shall clearly state any estoppel fees due to the management company for a change of title of a Lot.

8.7 Headings. It is further declared that the headings or titles inserted in the Declaration and any subsequent amendments are inserted solely for the convenience of reference and shall not constitute a part of this Declaration nor shall they affect its meaning, construction or effect.

8.8 Traffic. Traffic in any of the streets and roads or ways in the Subdivision shall be subject to the provisions of the laws of the State of Florida concerning operation of motor vehicles on public streets. The traffic laws shall operate as restrictive covenants and shall be enforceable by the powers of the Association, as well as applicable Law Enforcement Agencies, including the right to collect reasonable fines for violation thereof. Reasonable speed limits may be designated by the Board of Directors of the Association and shall be posted in the Subdivision. Only drivers licensed to operate or recognized by the State of Florida may operate any type of motor vehicle or golf cart on the streets of the Subdivision. The Association is empowered to pass, administer and enforce reasonable rules and regulations for control of traffic and safety. Automobiles and trucks with noisy exhaust systems or excessive emissions shall not be operated in the Subdivision. There shall be no racing whatsoever on the streets. All vehicles parked or driven in the Subdivision shall have a current registration tag on the vehicle. Neither go-carts, motorized scooters nor three (3) and four (4) wheel all-terrain vehicles shall be operated within the Subdivision. All vehicles of every kind and nature which are allowed on the streets of the Subdivision, shall be operated in a careful and quiet manner, and with consideration for all Owners of the community, and in a manner to be expected from a reasonable, prudent person. Vehicles may only be operated in areas designated by the Association for vehicle operation.

WHERE PERMITTED BY LOCAL LAW ENFORCEMENT AGENCIES AND MUNICIPAL GOVERNMENT, THE DECLARANT MAY ELECT TO INSTALL ENTRY/EXIT GATES OR SUCH OTHER TRAFFIC CONTROL DEVICES UPON THE STREETS AS IT MAY, IN ITS SOLE DISCRETION DETERMINE TO BE IN THE BEST INTERESTS OF THE ASSOCIATION AND ITS MEMBERS. THE ASSOCIATION SHALL PAY FOR THE COST OF MAINTENANCE AND REPAIR OF SUCH DEVICES AS PART OF ITS BUDGET PROCESS, AND SUCH DEVICES SHALL NOT BE AN INTERFERENCE WITH ANY EASEMENT HEREUNDER.

8.9 Perpetual Easement. Notwithstanding any provisions of this Declaration or any amendments thereto, no easements in the Common Area for ingress and egress may be terminated, said easement's being intended to be perpetual; this will apply regardless of the termination of the restrictive covenants contained in this Declaration and regardless of the termination of the Declaration itself. Furthermore, notwithstanding the termination of this Declaration, the Association's power to make assessments and its duties to maintain the Common Areas and Areas

of Common Responsibility shall survive the termination of this Declaration unless the instrument of termination specifically provides otherwise.

8.10 Supplemental Declarations and Additions to Existing Property. Declarant, by its sole and absolute discretion, may file such supplemental declarations as it deems appropriate from time to time, and the same will be amended from time to time as additional phases of the Subdivision are developed, without the necessity of any joinder by the Association or by any Owners in the Subdivision; there is reserved in the Declarant the unrestricted right to grant easements in all roads and Common Areas throughout the Property to all Owners of Lots in the Subdivision (including phases to be developed by use of a supplemental declaration). The right of the Declarant to extend all of the benefits of easements, as development proceeds in phases, to all Owners of Lots in the Subdivision, over roads and over other Common Areas throughout the existing properties and future additions thereto is absolute and may be exercised at any time and from time to time without the joinder and without the consent of the Association or of any Owner or mortgagee whomsoever. It is likewise intended that notwithstanding the provisions of Section 2.2 (e) or of any other provision of the Declaration, neither the Association's consent nor that of its Owners shall be necessary for Declarant to grant utility easements to public utility companies and to governmental units, so long as the easements are over Common Areas, Areas of Common Responsibility or over portions of Lots then owned by the Declarant.

As additional phases are developed, they shall be additional properties within the jurisdiction of the Association entitled to the easements granted herein and subject to the restrictions and Assessments set out herein. The additions shall be made by filing of record – one (1) or more supplemental declarations with respect to the properties to be subject to this Declaration. A new supplementary filing shall extend the jurisdiction of the Association and the undivided interest in the Common Areas and Areas of Common Responsibility to the additional property owners and thereby shall subject the additional property to Common Area easements and Assessments for its just share of the Association's expenses. Each supplemental declaration may contain complementary additions and modifications of this Declaration to reflect the different character, if any, of the added properties; provided, however, that such supplemental declaration shall not revoke or otherwise amend this Declaration as it applies to the existing Property.

8.11 Declarant's Rights. The provisions of this Declaration shall not be applicable to prevent or hinder the activities of Declarant or Builder in developing, marketing, and operating the community. Additionally, and notwithstanding any other provision of this Declaration, Declarant and its designees or Builder may employ such methods of marketing including signage, parking facilities for models, and operation of sales and construction offices, as deemed appropriate in Declarant's or Builder's sole discretion, and for ingress and egress over the Common Area for this purpose.

8.12 Declarant and Builder Reservation. Any provision of this Declaration to the contrary notwithstanding, until Declarant or Builder has completed all the contemplated improvements and the Lots have been sold to Third Party Purchasers, neither the Owners nor the Association shall interfere with, or allow the interference with, the completion of Declarant's or Builder's planned improvements and the sale of the Lots. Declarant and Builder may make such lawful use of the unsold Lots and the Common Areas, without charge, as may facilitate such completion and sale, including, but not limited to, maintenance of sales and construction trailers and offices, the showing of the Lots and the display of signs and the use of Lots for vehicular parking. Without limiting the generality of the foregoing, except only when the express provisions

of this Declaration prohibit Declarant or Builder from taking a particular action, nothing in this Declaration shall be understood or construed to prevent or prohibit Declarant or Builder from any of the following:

(a) Doing on any property or Lot owned or controlled by it, whatever it determines to be necessary, convenient or advisable in connection with the completion of the development of the Property, including without limitation, the alteration of its construction plans and designs as Declarant or Builder deems advisable in the course of development (all models or sketches showing plans for future development of the Property, as same may be expanded, may be modified by Declarant or Builder at any time and from time to time, without notice); or

(b) Erecting, constructing and maintaining on any property or Lot owned or controlled by Declarant or Builder, such structures as may be reasonably necessary for the conduct of its business of completing said development and establishing the Property as a community and disposing of the same by sale, lease or otherwise; or

(c) Conducting on any property or Lot owned or controlled by Declarant or Builder, its business of developing, subdividing, grading and constructing improvements on the Property and of disposing of Lots therein by sale, lease or otherwise; or

(d) Determining in its sole discretion the nature of any type of improvements to be initially constructed as part of the Development or the Property; or

(e) Maintaining such sign or signs on any property or Lot owned or controlled by Declarant or Builder as may be necessary or desired in connection with the operation of any Lots owned by Declarant or Builder or the sale, lease, marketing or operation of the Lots; or

(f) Recording Supplemental Declarations that modify or amend this Declaration, which add or withdraw Additional Property, or that otherwise allow or permit Declarant to effect any action which may be required of Declarant by the local government or any other Governing Authority or quasi-governmental agency in connection with the development and continuing operation of the Property; or

(g) Modifying, changing, re-configuring, removing or otherwise altering any improvements located on the Common Areas or utilizing all or portions of the Common Areas for construction access or staging (provided that same does not impair existing platted access (as shown on any recorded Plats) or utility services to the Lots); or

(h) Causing utilities to be available to all portions of the Property, including, but not limited to, the reserving or granting of easements and rights of way as may be necessary to locate, install and maintain facilities and connections.

8.13 Covenants Running with the Land. ANYTHING TO THE CONTRARY HEREIN NOTWITHSTANDING AND WITHOUT LIMITING THE GENERALITY (AND SUBJECT TO THE LIMITATIONS) OF OTHER APPLICABLE SECTIONS HEREOF, IT IS THE INTENTION OF ALL PARTIES AFFECTED HEREBY AND THEIR RESPECTIVE HEIRS, PERSONAL REPRESENTATIVES, SUCCESSORS AND ASSIGNS THAT THESE

COVENANTS AND RESTRICTIONS SHALL RUN WITH THE LAND AND WITH TITLE TO THE PROPERTY. WITHOUT LIMITING THE GENERALITY OF ANY OTHER SECTION HEREOF, IF ANY PROVISION OR APPLICATION OF THIS DECLARATION WOULD PREVENT THIS DECLARATION FROM RUNNING WITH THE LAND AS AFORESAID, SUCH PROVISION AND/OR APPLICATION SHALL BE JUDICIALLY MODIFIED, IF AT ALL POSSIBLE, TO COME AS CLOSE AS POSSIBLE TO THE INTENT OF SUCH PROVISION OR APPLICATION AND THEN BE ENFORCED IN A MANNER WHICH WILL ALLOW THESE COVENANTS AND RESTRICTIONS TO SO RUN WITH THE LAND; BUT IF SUCH PROVISION AND/OR APPLICATION CANNOT BE SO MODIFIED, SUCH PROVISION AND/OR APPLICATION SHALL BE UNENFORCEABLE AND CONSIDERED NULL AND VOID IN ORDER THAT THE PARAMOUNT GOAL OF THE PARTIES AFFECTED HEREBY (THAT THESE COVENANTS AND RESTRICTIONS RUN WITH THE LAND AS AFORESAID) BE ACHIEVED.

8.14 Notices and Disclaimers as to Water Bodies, Preserves, Golf Courses and Sinkholes. IF ANY SUCH WARRANTY CANNOT BE DISCLAIMED, AND AS TO ANY CLAIMS WHICH CAN BE MADE AS TO THE AFORESAID MATTERS, ALL INCIDENTAL AND CONSEQUENTIAL DAMAGES ARISING THEREFROM ARE HEREBY DISCLAIMED.

## **ARTICLE IX DISCLAIMER OF LIABILITY OF ASSOCIATION**

9.1 Disclaimer of Liability. Notwithstanding anything contained herein or in the Association Documents neither the Association, Builder, nor the Declarant nor any officer or employee thereof shall be liable or responsible for, or in any manner a guarantor or insurer of, the health, safety or welfare of any Owner, occupant or user of any portion of the Subdivision including, without limitation, residents and their families, guests, invitees, agents, servants, contractors or subcontractors or for any property of any such persons. Without limiting the generality of the foregoing:

(a) it is the express intent of the Association Documents that the various provisions thereof which are enforceable by the Association and which govern or regulate the uses of the properties have been written, and are to be interpreted and enforced, for the sole purpose of enhancing and maintaining the enjoyment of the Property and the value thereof;

(b) the Association is not empowered, and has not been created, to act as an entity which enforces or ensures the compliance with the laws of the United States, State of Florida, Okaloosa County and /or any other jurisdiction or the preventions of illegal activity;

(c) any provisions of the Association Documents setting forth the uses of assessments which are related to health, safety, security and/or welfare shall be interpreted and applied only as limitations of the uses of assessment funds and not as creating a duty of the Association to protect or further the health, safety, security or welfare of any person(s), even if assessment funds are chosen to be used for any such reason;

Each Owner (by virtue of Owner's acceptance of title to their Lot) and each other person or entity having an interest in or lien upon, or making any use of, any portion of the Property (by virtue of accepting such interest or lien or making such uses) shall be bound by this Article IX and shall be deemed to have automatically waived any and all rights, claims, demands and causes of action against the Association arising from or connected with any matter for which the liability of the Association has been disclaimed in this Article IX.

The Common Areas and easements contain wetlands, roads and water areas which may present hazards to persons, and which may contain wildlife and other organisms of danger to children and other persons. All Owners, on behalf of themselves, their families, guests, and invitees, hereby agree that the Association shall have no liability for any activities undertaken by any person on Association lands or Common Areas and easements which result in injury from such natural elements. All Owners, families, invitees and guests agree that any person using such lands does so at his own risk. All Owners shall undertake to warn others of such hazards when appropriate.

As used in Article IX, "Association" shall include within its meaning all of the Association's Directors, Officers, committee and board members, employees, agents, contractors (including management companies), subcontractors, successors and assigns.
